

Exciting Opportunity – Free Swimming Lessons with Northern Stars!

School Aged 5-12yrs - High School 12-18yrs - Adults

Northern Stars is thrilled to announce a new initiative, proudly funded by the NSW Government, to provide free swimming lessons to participants! This fantastic program will run for 10 weeks during the school term, helping participants build essential water safety and swimming skills, and who are not currently accessing swimming lessons.

Lessons will be held in either our Russell Vale or Dapto locations.

Spaces are limited in this program and as such there will be a selection process. You will be notified from Monday 6th October if your child has been selected in the next round of lessons.

Nominations are open now and will close on 27th September. The program will commence the week of 13th October.

We encourage all interested participants to take advantage of this amazing opportunity. For more information please contact either centre;

Please Note: It is a requirement of this program that you/your child commits to their lessons and attends 10 weeks of swimming. Continuity of lessons in the same class and with the same teacher is important for the progression of swimming skills. If you/your child is going to be absent, please contact the centre with a minimum 24 hours' notice. We will then reschedule the missed lesson for your child to attend.
